Tea & Coffee

Ronnefeldt

Teavelope

This attractive teabag is packaged in a sachet made of Abaca, an eco-friendly film. This sachet is sealed to keep fragrance and flavour in and moisture out so the tea can retain its fine nuances.

Leafcup

Ronnefeldt also offers carefully produced leaf teas ready-portioned for the cup. They come in their own large filter made of eco-friendly natural fibres. It is also individually film-packaged to retain its individual aroma.

Tea Caddy

Tea-caddy comes ready-portioned for the teapot. The tea comes a large filter made of natural fibres so that it can fully unfold and release its flavour.

Ronnefeldt

Loose Tea

The numerous varieties of loose tea makes a magnificent experience in flavour. Loose tea comes as black and green tea as well as herbal and fruit infusions.

Teastar

The premium Teastar collection represents the most exquisite of Ronnefeldt teas and has been selected with the utmost care, plucked during the best harvesting conditions and carefully crafted in an artisanal and traditional production process.

Simplicitea

Simplicitea is the fast and easy way to enjoy excellent tea with a tea capsule. Fully compatible with Nespresso® machines, you can experience the quality and exquisite flavours of Ronnefeldt Tea.

Cafés Richard

Coffee beans in sustainable bags

Developed with precision by coffee-lovers, Cafés Richard blends are exclusive mixtures made from preciously guarded recipes, with a harmonious balance of aromas and flavours.

Each bags are made of Oxo-Biodegradable material and with a state-of-the-art technology keeping the beans fresh.

Single Origins coffees in sustainable pods

These individual doses of ground coffee are perfect to make espresso on demand. Kept in a sustainable pod, the freshly ground coffee is tamped and packed in a neutral atmosphere to retain all its aromas. The pods are made of paper, making them 100% recyclable

Alcoholic Drinks

Prosecco

Pernici Brut 11%

Harvest mid-September. Gentle bunch pressure and temperature controlled fermentation. The foam is obtained thanks to the classic Charmat method.

Aperitivo

Pernici Aperitivo 15%

Color: Blood Orange. Smell: carefully fruity. Flavor: great balance, fruit aromas strengthened by a slight bitterness. An absolute perfect match with the Pernici Prosecco brut to make the best SPRITZs.

Craft Beers

Taco Cerveza 5.4% - 2 Birds Brewing

The Taco Cerveza is brewed using ale malts, with an addition of flaked corn. Citra and Amarillo hops contribute citrus and fruity characters, which complement the additions of coriander leaf and fresh lime peel.

PAIR IT WITH TACOS! AND ANY LATIN AMERICAN FOOD!

IPA 5.8% - 2 Birds Brewing

Notes of passionfruit and mango puree follow a lean malt body, while Aussie and US hops add power to every mouthful.

Sunset Ale 4.6% - 2 Birds Brewing

Two Birds Sunset Ale is brewed using a distinct combination of malts, including pale, wheat and Crystal malts to provide round, rich, toffee notes. The addition of US Citra and Australian Cascade hops adds a twist of grapefruit and tropical notes to balance the biscuity malt base.

GIN
